

The SIVACON 8PS LDM busbar system is the innovative alternative to cables for wind turbines and PV stations. It ensures safe, reliable power transmission (800-8200A), improves unit availability, and ...

ABB busbar systems enable safe and easy cross-wiring of miniature circuit breakers, residual current devices and other Modular DIN-Rail products.

RiLine busbar systems for individual switchgear and controlgear. Complete solutions up to 1600 A for AC or DC applications. 3-pole, tool-free mounting, short circuit-resistant up to 65 kA, fully contact ...

Marine Bus Bar 12V 150A 1/4" Stud Power Distribution Block, Buckle Designed Bottom Battery Busbar, Automotive Buss Bar 12v for Car, Boat and Solar Wiring (Black+Red)

These board-to-busbar connectors are designed to meet OCP V3 power distribution architecture standards and are ideal for use in power shelves, BBUs, server/storage sleds, EV ...

Complex wiring systems require a single point to consolidate large and small conductors. The PowerBar 1000 offers a 1,000 Amp busbar with various size studs and screws to connect conductors and fuse ...

We offer a number of busbars with different current ratings, and a different number of connection terminals. Each busbar is fitted out with a removable protection cover.

These board-to-busbar connectors are designed to meet OCP V3 power distribution architecture standards and are ideal for use in power shelves, ...

These bars are tin-plated copper and have stainless steel terminals. Also known as bus bars, they serve as connection points between wires with ring or spade terminals. The underside is sealed, so the ...

Suitable for connectors over 400mm², the enclosure can connect three-phase ...

Suitable for connectors over 400mm², the enclosure can connect three-phase plus neutral supplied with up to six conductors per phase. Manufactured from 316L (1.404) Stainless Steel, IP66 and Type 4X ...

Bus bars and terminal strips for AC and DC use on boats and RV's. All marine grade, tinned, corrosion resistant, covers available.
