

3M style fiber optic cable junction box

Fiber optic closure, also known as fiber optic splicing closures. The fiber optic closure connects and stores optical fibers safely either in the outside plant or indoor buildings.

Available for both 12-fiber and 24-fiber configurations, they fit into fiber optic enclosures and provide a reliable, organized solution for on-site fiber optic terminating.

This product is designed specifically to provide a safe and secure connection between fiber optic cables. This junction box is made from strong, durable steel, and it has a convenient 415X340X122.5 ...

The 3MTM Fiber Optic Splice Closure 2178 family provides many models and configurations, so you can expand and future-proof your network with compatible, durable technology.

High quality fibre optic network components from Tech Optics - fibre adaptors, attenuators, connectors (harsh environment and standard) and more.

6-Core FTTH Fiber Distribution Termination Box with 6 SC APC Adapters, IP65 Waterproof, Wall-Mount Enclosure for Residential/Commercial Fiber Optic Splicing & Management (with 6 APC Adapter)
