

Differential Temperature Sensing Cable Terminal Box

The Molex NTC Ring Terminal Sensor Cable Assembly offers a range of resistance values at 25°C--from 1K to 100K ohms--to best fit customers' application needs without needing to make design ...

Discover MTI's sensor-grade wire and cable products, including thermocouple extension wire, RTD cable, and high-temperature insulation options--custom lengths and terminations available.

ProSense thermistor junction box probes feature a sensing element attached to a galvanized box with knockouts for convenient connection to conduit and other electrical connectors.

Here, you can see how the product is compatible with other and in what capacity, such as if is an accessory or spare part.

Interconnecting cables are made of a durable barrier to minimize interference

The TEC Terminal Box Controller is the Siemens Industry FLN controller used in pressure independent Variable Air Volume applications. It provides Direct Digital Control (DDC) for eight applications and is ...

Mix and match these terminal blocks to get the exact number of circuits you need in a single setup. Add blocks for thermocouples, fuses, and grounding wire as needed.

Molex's NTC temperature sensor cable assemblies are available in multiple beta values, resistances, lengths, and temperature ranges. Molex also offers custom options of these assemblies ...

Find your temperature sensor terminal block easily amongst the 33 products from the leading brands (PUSHNA, Temperature Technology, Taisuo Technology, ...) on DirectIndustry, the industry ...

Discover MTI's sensor-grade wire and cable products, including thermocouple extension wire, RTD cable, and high-temperature insulation options--custom ...

Part of the SmartLine® family of products, the SmartLine STT850 is a high-performance temperature transmitter offering high accuracy and stability over a wide range of process and ambient temperatures.

These easy-to-use, plug-and-play blocks help reduce wiring, installation time, user error and maintenance costs.

Differential Temperature Sensing Cable Terminal Box
