

NuFiber's NF512G-SC20 Industrial Ethernet switch, With 2 Port 10/100/1000M Ethernet ports and 1 port 1000Mbps SC Fiber, for connecting with devices like computer, switch, hub, server, etc, as well as ...

Unmanaged fiber optic switches are network switches that operate without user intervention or configuration. They automatically establish connections between devices and forward data packets ...

Unmanaged industrial Ethernet fiber switch with 1\*10/100M RJ45 port and 1\*155M uplink SC fiber port (1310nm/20km single-mode dual fiber optical module). It can support dual DC power input and DIN ...

Teltonika TSW210 Industrial Unmanaged Ethernet Switch - 8 Port Gigabit Switch with High Speeds Up to 1 Gbps - 2 SFP Ports for Long-Range Fiber-Optic - 8 x RJ45 Ports, 10/100/1000 Mbps Network ...

NuFiber's NF512G-SC20 Industrial Ethernet switch, With 2 Port 10/100/1000M ...

Our Ethernet network switches with fiber ports comes in managed or unmanaged formats combined with both Industrial and Commercial grades. Utilize our PoE switches to power your Ethernet devices ...

Switches range from 2 to 6 ports, speeds up to 10/100/1000. Temperature hardened and low port count ideal for linking multiple RTUs & PLCs in industrial and SCADA fiber optic networks.

10-port unmanaged industrial Ethernet switch options with dual fiber uplinks for long-distance links. Built for harsh environments; contact Three Link for selection and quotation.

The EDS-2016-ML Series of industrial Ethernet switches have up to 16 10/100M copper ports and two optical fiber ports with SC/ST connector type options, which are ideal for applications that require ...

2 Gigabit electrical port + 1 Gigabit optical port industrial-grade Ethernet switch, with full duplex/half duplex, MDI/MDI-X adaptive, supporting IEEE802.3, IEEE802.3x, IEEE802.3u standards.

2 Gigabit electrical port + 1 Gigabit optical port industrial-grade Ethernet switch, with full duplex/half duplex, MDI/MDI-X adaptive, supporting IEEE802.3, IEEE802.3x, ...

Discover fiber switches designed for reliable network connectivity. Browse 10G, 2.5G, and gigabit options to expand your bandwidth.
