

MODEL NUMBER: N286-40G-ESR4-G Connects a multimode Gigabit Ethernet fiber optic network cable to a router, switch or server's QSFP+ port.

40G QSFP+ BIDI optical transceiver module is a pluggable optical transceiver with a duplex LC connector interface for short-reach data communication and interconnect applications using Multi ...

Learn what QSFP 40G SR4 transceivers are, including key specifications, fiber requirements, typical use cases, and how to choose the right module.

In data centers, the 40GBASE-SR4 QSFP+ optical module can work with multi-mode OM3/OM4 optical fiber to achieve a transmission distance of 100m (OM3) and 150m (OM4), enabling the ...

FS 40G QSFP+ optical transceiver module solutions offer a full range of QSFP+ modules from 150m to 80km reach, and used for high-density switching, routing and data center applications. Click to get ...

Shop Star Tech Com Msa Uncoded Compatible Qsfp Module 40 Gbase at best prices at Desertcart Fiji. FREE Delivery Across Fiji. EASY Returns & Exchange.

Get effortless 40G connectivity with our 40G Multimode MPO DCI Coherent QSFP Optical Module. Boost your DCI optical modules speed today!

This module offers a high-density, low-power 40GBASE Ethernet solution suitable for data centers, high-performance computing networks, and enterprise core and distribution layer applications. It adheres ...

The series of product adopts LC or MTP/MPO connector and operates over Single Mode or Multimode optical fiber. They can be used for connections from 150m up to 40km and are suitable for 40G ...

The MJ-QSFP40G-SR4 Miljet is a QSFP+ transceiver that operates on 4 channels of 10Gbps parallel Tx/Rx in multimode optical fiber at a wavelength of 850nm, providing independent forms of optical ...
