

Company Introduction:Established in 2001, Shanghai Huijue Network Communication Equipment Co., Ltd (HJ Network for short) is the leading manufacturer and solution provider for telecom and ...

The data is from past contract of the latest inspection report as assessed by independent third parties.

Founded in 2002, Huijue Network is a high-tech service provider integrating intelligent network communication equipment and computer intelligent network ...

Product Description Selfsupporting Armored UniTube Fiber Optic 144 36 48 64 Core Overhead G652d GYXTW Optical Fiber Cable Price We are 20 years fiber optic cable manufacturer. Welcome to go to ...

The optical cable has excellent mechanical properties and environmental performances due to reasonable design and precision control of the redundant length and the cabling method of ...

The multi-core fiber optic cable boasts features such as minimal signal attenuation and high bandwidth capabilities. Unlike traditional cables, these fiber optics are immune to ...

Founded in 2002, Huijue Network is a high-tech service provider integrating intelligent network communication equipment and computer intelligent network communication system integration and ...

Main products Optical Splitter, Fiber Patch Cord and 695 more Products from Hai'an Huijue Network Communication Equipment Co., Ltd. on Alibaba

Continuous research and development, participation in industry standards, and understanding of market trends and key influencing factors have enabled Huijue to be at the forefront of optical connection ...

Built with advanced optical fiber technology, this cable supports multiple cores (from 4 to 64 fibers), enabling high-bandwidth data transmission with low attenuation and excellent signal integrity.

Covering specifications from 8-core to 48-core, the products are made of multiple materials such as SMC, metal, and plastic. Suitable for the construction of optical fiber access networks, they provide ...
