

Our 500,000 m², staffed with 500 workers and equipped with 4 production lines, can output 2000 units telecom cabinet per month. We strictly control every production process, establish a strict quality ...

We can provide sales of a large number of new or used transmission equipment, servers, communication power systems, routers, base station equipment, switches, SFPs, storage devices, ...

The Huijue Group's Optical-storage-charging application scenario is a typical application of microgrid energy storage. The core consists of three parts - photovoltaic power generation, energy storage ...

How to View Optical Module Parameters Rules for Optical Module Interoperation Understanding Copper Modules FE SFP/eSFP Optical Modules GE eSFP Optical Modules GE ...

Founded in 2002, Huijue Group is a high-tech service provider integrating the integration and application of intelligent network equipment and intelligent energy storage equipment.

Huijue Group's Mobile Solar Container offers a compact, transportable solar power system with integrated panels, battery storage, and smart management, providing reliable clean energy for off ...

SJ-20200929135033-016-ZXA10 C680& C600& C650& C620 (V1.2.1) Optical Access Aggregation Equipment Parts Replacement_996109 - Free download as PDF File (.pdf), Text File (.txt) or read ...

Huijue Group presents the new generation of simplified household energy storage inverter integrated system, which incorporates photovoltaic modules, photovoltaic-storage inverters, energy storage ...

During the device operation procedure, you may need to modify the configurations sometimes. To validate the modified configurations and make sure the proper configurations in ...

Established a wholly-owned subsidiary "Haian Huijue Group Communication Equipment Co., Ltd.", and started the construction project of 150 acres of optical communication industrial park.
