

The Edimax Pro IGS-5408P industrial 8-port PoE+ Gigabit web managed switch comes with 4 SFP slots for enduring, reliable, flexible industrial network deployment.

Apply this managed switch for harsh industrial applications that require accurate control, high level security for data switching as well as real-time data monitoring from remote end, achieving effective ...

The MS1-M08G is a fully managed industrial switch designed to suit your heavy industrial environments. Engineered with hardened components and enclosed in a rugged IP30 case, this industrial switch ...

This smart switch features eight PoE ports capable of powering compatible PoE ...

This 8-port managed industrial PoE++ Gigabit switch includes two SFP+ data ports allowing you to connect extra devices depending on your needs. This ruggedized industrial switch is developed for ...

Proscend's Industrial 8-port PoE Long Reach Switch 708EPI-DC is designed for AIoT long-distance network extension solutions, featuring wide temperature energy-saving, PoE transmission up to 800 ...

The Sixnet® 8-port Managed Industrial Ethernet Switch enables fast Ethernet connectivity for industrial equipment in extreme industrial settings. Rugged and ...

The ECO Switch also connects up to eight network devices to your ETHERNET network with transmission rates of 10, 100 or 1,000 Mbit/s. Designed for a temperature range between 0 and 60°C, ...

The cloud management capabilities are excellent, allowing me to easily monitor and configure the switch remotely. The 180W PoE budget is more than enough for my current setup, with room for future ...

This smart switch features eight PoE ports capable of powering compatible PoE appliances and devices, such as VoIP phones and IP surveillance cameras, without the expense and effort of running ...

Engineered for industries such as manufacturing, oil & gas, transportation, and smart infrastructure, this 8-Port Industrial Managed Ethernet PoE switch delivers consistent performance even in extreme ...

The Sixnet® 8-port Managed Industrial Ethernet Switch enables fast Ethernet connectivity for industrial equipment in extreme industrial settings. Rugged and high-performing with a range of advanced ...
