

Lengths and a full line of accessories are available to mount on the wall, from the ceiling or under the floor.

Junction Box Eurotray Cable Support Systems, featuring junction boxes, are designed for superior electrical connectivity and safety.

As a less-expensive alternative to conduit, a stronger alternative than wire basket, and superior to generic tray, Snap Track saves on labor and reduces total installed costs.

Aluminum is the preferred material for cable tray as it is sturdy while being lightweight and resistant to corrosion. Aluminum cable tray works in many settings and is easy to install and maintain.

Choose from our selection of junction boxes, including over 2,800 products in a wide range of styles and sizes. Same and Next Day Delivery.

Discover the 6 best mobile home junction boxes pros trust. Learn how to ensure safe, code-compliant electrical connections for your manufactured housing project.
