

Myanmar ADSS optical cable pre-twisted protective strip

Medium Span ADSS Tension set is used for installation span length between ...

Features Connects terminal support, nroj tsuag, kev them nyiaj yug me nyuam, and support of angle over 25°; Configurable for different fiber cable diameters Inner preformed armor rods for increased ...

damping effect for ADSS cables. The pre-twisted tension set itself will not lead to harmful stress concentration, which may ensure normal operation of the optical cables.

According to the model and parameter requirements of ADSS optical cables, we can provide suspension clamps with different pitches, tensions, and outer diameters, which are divided into tangent clamps ...

ADSS suspension clamp is a heavy duty, versatile, and reliable solution for securely suspending ADSS (All Dielectric Self-Support) aerial fiber optic cable. The versatility of the clamp allows the installer to ...

The latest adss optical cable tension clamp in 25 years is specially designed for 100m pitches. it adopts high-strength pre-twisted wire structure and has a tensile strength of 36kn. it is ...

This product is a combination of wire clip, equipped with two sets of aluminum splint, two sets of rubber fixture, a set of outer pre-twisted wire and a set of wire protectors pre-twisted wire.

Medium Span ADSS Tension set is used for installation span length between 200m-400m, Long Span ADSS Tension set is used for installation span length longer than 400m.

Installation scope: The optical cable should be led down straight and aesthetically pleasing, and a fixed fixture should be installed every 1.5m-2m to prevent friction between the optical cable and the tower.

High Tension Strength: With a rated tension strength of over 10kn, this product is capable of withstanding heavy loads and providing reliable support for ADSS/OPGW cables.

The pre-twisted protective wire or repair strip can be used as a repair strip to repair the damaged wire and restore its original mechanical strength and electrical conductivity.

Myanmar ADSS optical cable pre-twisted protective strip
