

One-click ring network industrial-grade switch

NEU20100FG is a rugged unmanaged industrial network switch built for high-availability ring topologies. It supports one-click HSR seamless redundancy to maintain communication continuity in critical ...

WAGO's industrial switches feature a redundant power supply and switchable ring redundancy providing uninterrupted data communication. With a short recovery time of under 20 ms, the Xpress Ring ...

With Gigabit Ethernet, rapid failover, powerful security, and certifications for vibration, shock, and free-fall, these rugged switches protect your network.

WAGO's industrial switches feature a redundant power supply and switchable ring redundancy providing uninterrupted data communication. With a short recovery ...

Extreme Industrial Switches are an excellent choice for industrial environments, including intelligent transportation systems, utilities, and smart cities. Full redundant ring technology creates fault- ...

Moxa provides a wide range of industrial Ethernet switches that feature industrial-grade reliability, network redundancy, strengthened security, easy management, and competitive price-to ...

Industrial-grade ring network switch is a special type of switch that can simultaneously transmit data between multiple ports, and each port can be regarded as an independent non-IP network segment, ...

Our Industrial Ethernet Switch portfolio comprises Managed and Unmanaged Switches with Gigabit, PoE, IEC 61850 certification, and for DIN rail mounting.

Maple Systems industrial ethernet network switches are built with industrial grade components, tested in-house, and certified for reliable operation in harsh environmental conditions.

This switch support HSR ring topology with one click (a ring with 3Pcs or 3Pcs+), zero recovery time, support convergence time of 50 nodes $\leq 6\text{MS}$, 5,000 times faster than RSTP.

With 10Gbps fiber or copper interfaces, the IGS-6325-5X1T can handle extremely large amounts of data in a secure topology linking to an industrial backbone, 5G NR base station or Wi-Fi6/6E wireless AP.

One-click ring network industrial-grade switch
