

Fibertronics, Inc. offers a complete selection of armored fiber optic patch cables designed for durability, flexibility, and reliable performance in the most demanding environments.

Shop armored fiber optic patch cables with LC, SC, ST connectors. Durable, crush-resistant cables for harsh environments, data centers, and outdoor use.

Find reliable LC to LC duplex fiber cables for your networking needs. Available in various lengths and fiber types for optimal performance.

Browse our armored fiber optic cables and patch cables today. We carry OM4 and OM3 fiber optical jumpers, 50/125 10G, 40G, 100G, LSZH rated and more.

Durable armored fiber optic patch cables for harsh environments. Single-mode and multi-mode options ensure reliable, high-speed data transmission.

Its rugged shell with steel and kevlar is 10 times stronger than regular Fiber Optic Cable and has a 40% higher rated range of operating temperature. Custom configurations available.

Order custom single-core armored patch cords with LC connectors. Built for durability with TPU/PVC/LSZH jackets and available in any length. Ideal for rugged installations.

Our innovative 4-core tactical armored fiber optic cable is engineered for rapid, reliable, and robust deployment in demanding environments. This pre-terminated cable solution features a unique design ...

The rugged armored cables allow optical fiber to be installed in the most hazardous areas, including environments with excessive dust, oil, gas, moisture, or even damage-causing rodents.

The armored fiber patch cable with built-in metal armor can resist mechanical damage from crushing, abrasion, cutting, and pulling in the most hazardous areas. It can protect fibers and prevent network ...
