

This fiber optic splitter rack mount is resistant to dust and heat and can protect the fibers. It is easy to install & maintain while keeping cables organized.

These splitters are encased in a metal box, offering easy installation in fiber optic applications and extensively used in Fiber To The Home (FTTH) networks, adhering to PON standards like GPON ...

The Datacom Rack Mount splitter ensures network reliability and superior performance. PLC splitters are based on Planar Lightwave Circuit technology with precision alignment.

Rack Mount PLC Splitters is ranging from 1#215;2 ports to 2#215;64 ports. It is suitable for ...

CRXCONEC provides a comprehensive range of Rack Mount PLC splitters with various split ratios, including 2:4, 2:8, 2:16, 2:32, and 2:64. We customize these splitters to meet your specific ...

Rack Mount PLC Splitters is ranging from 1#215;2 ports to 2#215;64 ports. It is suitable for the use in telecommunication network, central office optical cable system and premise fiber network. The PLC ...

With its compact structure, stable optical characteristics, robust performance and reliable certification, FS PLC splitter solutions strengthen your network infrastructure and facilitate smooth communication ...

With today's distributed networks PLC splitters are the perfect low cost solution to support any application requiring uniform optical power splitting from 1#215;2 up to 2#215;64 combinations. Install ...

Zemecs FPRA2 and FPCA2 series 19" rackmount PLC splitters are manufactured using silica optical waveguide technology and can split up to 64 fibers through different connectors. The pigtails are ...

Nexconec introduces a new family of high performance fiber optic PLC Splitter loaded into 19-in Rack Mount Panels for today's high-port count applications that demand the best performance and the ...

The PLC splitter inside the box is plastic box type which available for 2.0mm pigtail. Each 19? 1U Rack Mounted PLC Splitter is fully loaded with panels, adaptors (optional) and accessories and is ready for ...
