

The multi-mode optical transceiver is a 1 x 12 pin mini transceiver with LC connectors. This multi-mode transceiver is low power, high performance module for such as 10Gigabit Ethernet and Fiber ...

A specialized manufacturer and supplier of Mini SFF in Taiwan. Welcome to visit our website to browse more Mini SFF relative products.

By activating the Transmit Disable pin (TDIS), the module can enter power-saving mode. The functional pins, installation, and physical dimensions can be customized according to user requirements, ...

Bi-Directional 2x5 Small Form Factor (SFF) transceiver module is specifically designed for the high performance integrated duplex data link over single-mode optical fiber.

**ABSTRACT:** This specification defines the contact pads, the electrical, power supply, ESD and thermal characteristics of the pluggable QSFP+ module or cable plug.

SFF Optical Modules -- SONET/SDH legacy gear, in-stock Pin-compatible 2x5 SFF transceivers for older switches and SONET/SDH platforms. 155M to 2.5G. Replaces obsolete Finisar / Avago / II-VI ...

Module is designed for DC LVPECL coupling. See the design guide for proper termination. Single ended will be 50 ohm for each signal line. Output of coupling optical power into 50/125 or 62.5/125 mm ...

Detailed info about Ultra-Low 1X10 mini-SFF, 2KM~20KM Fiber Optic Transceiver Module. Contact Taiwan Fiber Optical Transceiver supplier-FICER ...

Detailed information of Optical Transceiver, 10G Mini SFF offered by APAC Opto Electronics Inc..

The multi-mode optical transceiver is a 1 x 12 pin mini transceiver with LC connectors. This multi-mode transceiver is low power, high performance module ...

1x9 modules are fixed-form optical transceivers commonly used in legacy telecom, industrial, and access equipment. Typical supported data rates include 155 Mbps, 622 Mbps, and 1.25 Gbps, ...

Detailed info about Ultra-Low 1X10 mini-SFF, 2KM~20KM Fiber Optic Transceiver Module. Contact Taiwan Fiber Optical Transceiver supplier-FICER TECHNOLOGY CO., LTD. for fiber optic, fiber ...
